NOTABLE PRIZES

Of Hawaii For 1906

The \$500 Ocean Yacht Race Trophy

The Beautiful White Rock Golf Cup

The BULLETIN'S \$2000 Prize List

Consisting of a \$1400 Reo Touring Car; a \$350 Kroegeer Piano; a \$5000 Insurance Policy; a Silver Punchbowl; a Sewing Machine; a Store Order; a Winchester Rifle; a set of Golf Clubs and Leather Bag; a Suit Case; a Kodak Developing Machine.

The winner of the ocean race cup will demonstrate the skill of his crew and the fine model of his yacht; the winner of the golf trophy will secure the prize by good playing and steady nerve; but the finest prize of all—The Bulletin's Touring Car, will be a test of personal popularity that will establish the reputation of the winner for the next twenty-five years. Every one still remembers that Capt. Simerson of the Island fleet, won The Bulletin's Binoculars; that Jim Gorman won the diamond ring; that the Kohala Club won the Pope-Tribune Runabout, but all these prizes put together do not equal in value the first prize in the present contest—the Splendid Reo. This is not only a business enterprise of The Bulletin's, but is a splendid opportunity presented to the people of Hawaii. Both old and new subscribers are entitled to votes which may be turned in for any person the holder may select.

THE FIRST PRIZE is a Reo Touring Car complete. The Reo is the 1906 standard of Utilized Power; 16 horsepower, 1500 pounds, seating five people, speed 35 miles per hour, price \$1400. Invented and built by R. E. Olds, the foremost designer and builder of gasoline motor cars in the United States. The Von Hamm-Young Co. is agent for this car, and their experience with many makes of autos is a sufficient guarantee that they will not handle any but high-grade SUCCESSFUL automobiles.

THE SECOND PRIZE is a handsome Kroegeer Piano, from the well-known Island firm, The Bergstrom Music Co., who have handled this make of piano since 1895, and hundreds of people in the Territory bear testimony to its fine tone, splendid workmanship and lasting qualities.

THE THIRD PRIZE is a \$5000 Insurance Policy issued by the Continental Casualty Co., of Chicago. The Henry Waterhouse Trust Co. are the local agents.

FOURTH PRIZE is a Silver Punchbowl from the jewelry establishment of M. R. Counter, Fort Street.

FIFTH PRIZE—A \$10 Store Order, issued by The Bulletin Publishing Co., Ltd.

SIXTH PRIZE—A Domestic Sewing Machine from The Von Hamm-Young Co.

SEVENTH PRIZE—A. B. G. I. Sole Leather Golf Bag and a set of Willie Parke clubs, from the sporting goods department of E. O. Hall & Son.

EIGHTH PRIZE—A Winchester Repeating Rifle from the sporting goods store of Woods & Sheldon.

NINTH PRIZE—A Gold Mounted, Sole Leather Suit Case from The Von Hamm-Young Co.

TENTH PRIZE—A Kodak Developing Machine from the Honolulu Photo Supply Co.

These ten prizes are the high-water mark of merit, value, tone and usefulness in the Territory of Hawaii. The winning of them is a question of votes and the votes may be had under the following conditions:

NO CHANCE TO REFORM

Ah Nam (who has come so often before the local Police Court on charges of vagrancy that his appearance there has come to be looked upon as being as regular a thing as the arrival of ocean liners, wanted to reform today but Judge Whitney was cruel and would not give him an opportunity. It suddenly occurred to Ah Nam as he came before the Judge this morning that if he should be given three days' grace he could get a job at something, and thus escape prison. He forgot that in all these years he had been given numerous chances to reform, but had failed to do so. So he mournfully asked the court if he might be given just three days in which to get work. To this came the following reply:

"I'll see that you are boarded for thirty days in the Oahu prison while you are completing your plans for securing work. At the end of that time you will be given several days of grace in which to obtain a job."

MRS. DANFORD CAUSED.

(Continued from Page 1.)

verified to the letter,—she knew whereof she spoke.

The brief goes on to describe the making of the Notley will subsequent to some family troubles, and the adding of codicils much in favor of Mrs. Danford and to the disadvantage of one of the children. It shows, in over 100 typewritten pages, how the records have shown that Mrs. Danford exercised undue control and influence, and quotes numerous authorities. The following five points are finally summed up: 1. That Emma Danford at and before the time of the making of the will exercised complete domination over the will of the decedent in such matters where she sought control. 2. That she desired to prevent Chas. Notley Jr. from obtaining any benefits under his father's will and expressed her intention to see that this was accomplished. 3. That she for many years up to and including the period in which the will was made excluded the decedent's wife and children from enjoying at his hands the rights and privileges which were naturally theirs. 4. The will and codicils were made while the decedent was in Mrs. Danford's house and under her immediate influence, and Notley's wife and children were in no way consulted. 5. The will and codicils carried out the previous threats of Emma Danford in relation thereto.

The Alexander Young Building Co., Ltd., has filed a suit against David Ke Wananakoa and John F. Colburn asking for judgment on a promissory note for \$215.70.

Backfield & Co. have received advice that the Mongolia left San Francisco for this port and the Orient yesterday. She will arrive here Monday morning. "Sonny" Cunha may return to Honolulu shortly from San Francisco. John Ellis expects to go East this spring.
